Well Baby I've been here before

Verse 4

Well there was a time when you let me know
 What's really going on below

Love Yourself

Justin Bieber

Verse 1

For all the times that you rain on my parade
 And all the clubs you get in using my name
 You think you broke my heart, oh girl for goodness sake
 You think I'm crying, on my own, well I ain't
 And I didn't wanna write a song cause I didn't want anyone thinking I still care
 I don't but, you still hit my phone up
 And baby I'll be movin' on and I think you should be somethin'
 I don't wanna hold back, maybe you should know that

Pre-Chorus

My mama don't like you and she likes every one
 And I never like to admit that I was wrong
 And I've been so caught up in my job, didn't see what's going on
 And now I know, I'm better sleeping on my own

Chorus

Cause if you like the way you look that much
 Oh baby you should go and love your self
 And if you think that I'm still holdin' on to somethin'
 You should go and love your self

Verse 2 C G/B Am Dm C G/B

But when you told me that you hated my friends
 The only problem was with you and not them
 And every time you told me my opinion was wrong
 And tried to make me forget where I came from
 And I didn't wanna write a song cause I didn't want anyone thinking I still care
 I don't but, you still hit my phone up
 And baby I'll be movin' on and I think you should be somethin'
 I don't wanna hold back, maybe you should know that

Pre-Chorus Am F C Am F C Am F C G Am F G

My mama don't like you and she likes everyone
 And I never like to admit that I was wrong
 And I've been so caught up in my job, didn't see what's going on
 And now I know, I'm better sleeping on my own

Chorus C G Am F C G C

Cause if you like the way you look that much
 Oh baby you should go and love yourself
 And if you think that I'm still holdin' on to somethin'
 You should go and love yourself

Verse 3 C G/B Am Dm C G/B

For all the times that you made me feel small
 I fell in love, now I feel nothin' at all
 I never felt so low when I was vulnerable
 Was I a fool to let you break down my walls

Chorus C G Am F C G C

Cause if you like the way you look that much
Oh baby you should go and love yourself
And if you think that I'm still holdin' on to somethin'
You should go and love yourself

Verse **Am F G**

I know he's just not right for you

But I see it on your face

When you say that he's the one that you want

And you're spending all your time

In this wrong situation

And anytime you want it to stop

Chorus **Am F G C**

I know I can treat you better

Than he can

And any girl like you deserves a gentleman

Tell me why are we wasting time

On all your wasted cryin'

When you should be with me instead

I know I can treat you better

Better than he can

Verse **Am F G**

I'll stop time for you

The second you say you'd like me to

I just wanna give you the loving that you're missing

Baby, just to wake up with you

Would be everything I need and this could be so different

Tell me what you want to do

Wagon Wheel

Old Crow Medicine Show

Chords
(whole song)

G D Em C

Verse

Headed down south to the land of the pines
 Thumbin' my way into North Caroline
 Starin' up the road pray to God I see headlights
 I made it down the coast in seventeen hours
 Pickin' me a bouquet of dogwood flowers
 And I'm a hopin' for Raleigh
 I can see my baby tonight

Chorus

So rock me mama like a wagon wheel
 Rock me mama anyway you feel
 Hey mama rock me
 Rock me mama like the wind and the rain
 Rock me mama like a south-bound train
 Hey mama rock me

Verse

Runnin' from the cold up in New England
 I was born to be a fiddler in an old-time string band
 My baby plays the guitar
 I pick a banjo now
 Oh, the North country winters keep a gettin' me now
 Lost my money playin' poker so I had to up and leave
 But I ain't a turnin' back
 To livin' that old life no more

CHORUS []**Verse**

Walkin' to the south out of Roanoke
 I caught a trucker out of Philly
 Had a nice long toke
 But he's a headed west from the Cumberland Gap
 To Johnson City, Tennessee
 And I gotta get a move on before the sun
 I hear my baby callin' my name
 And I know that she's the only one
 And if I die in Raleigh at least I will die free

CHORUS []

We Are Gonna Be Friends

The White Stripes

Verse 1

G
Fall is here, hear the yell

G
Back to school, ring the bell

C
Brand new shoes, walking blues

G
Climb the fence, books and pens

D **C** **G**
I can tell that we are gonna be friends

D **C** **G**
I can tell that we are gonna be friends

Verse 2

Walk with me, Suzy Lee

Through the park, and by the tree

We will rest upon the ground

and look at all the bugs we've found

Safely walk to school without a sound

Safely walk to school without a sound

Verse 3

Here we are, no one else

We walked to school all by ourselves

There's dirt on our uniforms

from chasing all the ants and worms

We clean up and now it's time to learn

We clean up and now it's time to learn

Today was gonna be the day
But they'll never throw it back to you
By now you should've somehow
Realized what you're not to do
I don't believe that anybody
Feels the way I do, about you now

Pre-chorus

2 And all the roads that lead you there are winding
And all the lights that light the way are blinding
There are many things that I
Would like to say to you but I don't know how

Chorus 2

I said maybe, you're gonna be the one that saves me
And after all, you're my wonderwall
